Schedule

This schedule is not so intimidating as it looks. We go over all of this with you when we meet with you and then we will create a printed timeline for you to approve before the day of the reception. We will make this as easy as possible for you and when we meet with you, we will ask questions that will help you fill this out. Please list below a general schedule of the following vents IF they apply to your wedding. Include ceremony schedule and music if the DJ is to provide music for the ceremony. If you are not sure how you would like the event to "flow", please leave blank and discuss with your DJ.
